

**JOE WHEELER ELECTRIC MEMBERSHIP CORPORATION
OPERATIONAL POLICY**

Policy No.209

ADOPTED: FEB. 22, 1993

AMENDED: JANUARY 24, 2008

AMENDED AND BOARD APPROVED: OCTOBER 7, 2014

Subject: Security and Street Light Installation and Repair

I. Objective

- A. To establish a uniform policy for installation of new security and street lights
- B. To establish a uniform policy for repair and maintenance of security and street lights.

II. Policy

- A. The Cooperative will install security and street lights on an existing cooperative pole or provide a pole when the applicable fees are paid. The Cooperative reserves the right to deny service when service requested at specific sites is not economically feasible. (See [Schedule of Fees](#))
- B. No Cooperative owned security light will be installed on any structure other than Cooperative poles.
- C. The Cooperative will maintain and repair Cooperative Security Lights under normal conditions provided the customer first notifies the Cooperative when a security light or street light needs maintenance or repairs. After two (2) vandal-related repairs, the customer will be charged for repair costs.
- D. The Cooperative will only install security and street lights the Cooperative has in stock at the time of order. The Cooperative has the right to change the type of light during repairs to match the type light being stocked at the time of repair.
- E. It is the responsibility of the customer to notify the Cooperative of problems with the security or street lights.
- F. Customer will be required to enter into a written security light and/or street light agreement with the Cooperative. (See Addendums 209 A, B and C)

III. Responsibility

- A. The Board of Trustees is responsible for a periodic review of this policy and shall approve all changes to the policy.
- B. The General Manager is responsible for the implementation of the policy.
